**Semi-Annual Performance Report for
Grants to Enhance Culturally Specific Services for Victims of
Domestic Violence, Dating Violence, Sexual Assault, and Stalking
Program**

Brief Instructions

This reporting tool details the Semi-Annual Performance Report questions for the Grants to Enhance Culturally Specific Services for Victims of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Program (CSSP). A report must be completed for each grant received. Grant partners may complete sections relevant to their portion of the grant. Grant administrators and coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All grantees must complete the required sections. Required questions are marked with an asterisk (*). For all other sections, grantees must answer an initial question about whether they used CSSP funds to support certain activities during the current reporting period. If the response is yes, then the grantee must complete that section. If the response is no, the rest of that section is skipped.

The activities of volunteers or interns should be reported if they were coordinated or supervised by CSSP-funded staff or if CSSP funds substantially supported their activities.

For further information on filling out this report, refer to the separate instructions, which contain detailed definitions and examples.

Public Reporting Burden

Paperwork Reduction Act Notice. Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. The estimated average time to complete and file this form is 60 minutes per form. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, you can write to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street NE, Washington, DC 20530.
